

# Hyperbolic Crochet

# Math as Art

Come by the Pecan Campus Library to find out more about hyperbolic planes. Dr. Sean Lawton will share information about UTPA's Experimental Algebra and Geometry Lab.

**January 23—May 11, 2012**

**Pecan Campus Library Art Gallery  
Second Floor Art Gallery  
South Texas College**

For more information contact Dawn Haughey at  
[libraryart@southtexascollege.edu](mailto:libraryart@southtexascollege.edu) or 872-3488

"We are trying to share some of the wonder that mathematicians experience every day."  
- Dr. Sean Lawton, UTPA
